Didsbury Legion Makes Plans For Coming Fall Activities

Plans for the annual chicken supper were made at the September meeting of the Didsbury branch of the Canadian Legion, held in the Lions hall Thursday evening, September 25. The ladies' auxiliary will again be in charge of catering arrangements and the supper will be held in the local armory if cooking facilities are satisfactory. The memorial arena was chosen as an alternative site if the armory is not suitable, and the date for the event will be Tuesday, Nov. 11.

A dance will be held at Melvin hall following the supper if hall and orchestra are available. President Harvey Gillrie volunteered to arrange booking of the latter.

Pudie A. F. Sheward of Olan was present and requested the financial support of the Legion in the Frank Chaffin fund. He also stated that Bishop Calvert of Calgary would be the special speaker at the Remembrance Day service planned for St. Cyprian's Anglican church, Sunday, November 9, at 7:30 p.m. All Legion members are requested to attend.

The Didsbury Legion Remembrance Day service will be held on the C.P.E. property fronting the main street of Didsbury. Mr. A. F. Sheward will take the service which is planned for 2:30 in the afternoon. It is hoped to have the Olan branch color party and the Olan band in attendance on this occasion.

Wulf Skerry was appointed chairman of the poppy committee. Poppies and wreaths will be sold on Saturday, November 8, and net proceeds will go to the Legion benevolent fund.

Former Pioneer Citizen Dies In Washington

Word was received here over the weekend of the passing of Mr. Noah Eby, at the home of his daughter, Mrs. W. R. Whitaker of Sudbush, Wash., at the age of 96 years.

Mr. Eby was one of the first settlers in this district, coming here in 1880. He was a poor clerk for a time and later farmed five miles east of town, later moving to Saskatchewan. For over 60 years he was a deacon of the United Missionary Church.

Surviving are Mr. Joe Eby of Chilliwack, B.C., Mrs. W. R. Whitaker of Sudbush, Wash., Samuel Eby of Didsbury; Edwin Eby of Pasadena, Calif.; Mrs. F. J. Althart of Red Deer; Mrs. H. J. Callin of Subald; Miss G. Eby of Didsbury; Alvin Eby of North Hollywood, Calif.; 42 grandchildren and 30 great-grandchildren.

Mr. Eby was predeceased by his wife in 1939; a son, Milton, killed overseas in 1918, and an infant daughter.

Funeral services will be held from the United Missionary church, Didsbury, Friday, October 3, at 2 p.m.

Annual Meeting Held By Lone Pine Orioles

Annual meeting of the Lone Pine Orioles was held at the home of Sandra Brander, with the singing of "Peggy O'Neil" to open the meeting. The roll call was answered with a flower arrangement put into a picture frame and was answered by 14 members.

The girls' club was asked to serve supper for the W.L. banquet in October. It was decided to have the meeting in the evening, every third Friday in the month.

Following is the results of the election of officers: president, Jean Elliott; vice-president, Mary Pace; secretary, Gloria Schumaker; treasurer, Lois Shells; supervisor, Mrs. W. M. Bittner; assistant supervisors, Mrs. Schumaker and Mrs. H. J. Shells. Directors are Sandra Brander, Grace Weber and Anne Shells.

The "bit of fun" given by Gloria Schumaker was won by Patsy Sprague. The 10-cent draw was won by Jean Elliott.

The October meeting will be at the home of the Schumaker girls with pot-luck lunch. The enjoyable evening was closed by a delicious lunch served by the hosts.

49 YEARS IN BUSINESS

Tomorrow (Thursday) marks 49 years in business in Didsbury for Mr. J. V. Berscht, who started business here Oct. 2, 1903, as a shoe-maker and shoe repairer. Later he went into the men's and ladies' wear business, a venture in which he is still occupied. In 1936 he joined in business by his sons, Russell and Leonard. Since then the former son has moved to Innisfail where he operates a similar store to the one here, as well as a drug store, under the name of J. V. Berscht and Sons.

School Superintendent Dies At Drumheller

Mr. J. Fred Watkins, 43, superintendent of Drumheller School Division and Red Deer Valley School Division, died at the Municipal hospital, Drumheller, Thursday evening, after a brief illness.

He is survived by his wife and two children, all at Drumheller; three brothers, Edward of Didsbury, Reginald of Olds and Leslie of Kimberley, B.C.

GILLRIE JOINS BUFFALOES

Jack Gillrie was successful in his try-out for a position on the Calgary Junior Buffalo hockey team and is now in Calgary taking part in practice sessions prior to the league opening early in October.

Fifty players were on hand for a try-out at Calgary ten days ago and Jack was one of four who secured a permanent position on the team.

South West Didsbury

Miss Olive Snyder of Calgary spent the past two weeks holidaying at home with Mr. and Mrs. W. W. Snyder and visiting friends in the district.

Mr. Ben Tittsworth and Mr. John Tittsworth, Mr. and Mrs. J. L. Tugle were Wednesday dinner guests of Mr. and Mrs. E. Dipple and family. Mr. Ben Tittsworth left the following day for his home in Kamloops.

Mr. and Mrs. Clarence Moody of Kitchener, Ont., visited recently at the Gordon Weber home.

Mr. and Mrs. E. Dipple and Mrs. J. Edwards, is in the Olds hospital with injuries suffered in a car accident on the main highway last Thursday afternoon.

Allan Meyer is a patient in Olds hospital where he underwent an operation for appendicitis last Saturday.

Miss Olive Snyder and Mrs. W. W. Snyder were Friday afternoon callers on Mrs. A. A. Sherriek and Mrs. M. Dipple.

Mr. and Mrs. C. F. Stroud and

Police Maroon Edna Briggs, of Long Beach, Calif., Juvenile Department, holds baby Linda Kay Schen, age three months, who, police say, was "sold" by her mother, Mrs. Edna Schen, 20, for \$100. Officers

CANVASS AND TAG DAY VERY SUCCESSFUL

Last week Mums Chapter, I.O.O.F., held its annual canvass and tag day for the Canadian National Institute for the Blind, and met with good response from citizens of town and district. All \$350 was taken in, which is \$80 more than was realized last year.

Considering the fact that the majority of farmers in the district were busy with harvest operations and unable to be in town the response to this worthy cause was very gratifying and bespeaks well of the open-heartedness of our district.

Family of Red Deer were Saturday dinner guests of Mr. and Mrs. M. Dipple and Carol.

Mr. and Mrs. Roy Blether and family of Calgary were Sunday visitors with Mr. and Mrs. Fred Letus and family.

Miss Olive Snyder were Sunday dinner guests of Mr. and Mrs. Dipple and family.

Mr. and Mrs. L. Hunsperger and family were Sunday dinner guests of Mrs. D. B. Wood.

Mr. and Mrs. H. Sportell were Sunday dinner guests of Mr. and Mrs. M. Dipple.

Mr. and Mrs. J. Worthington and family of Champlin were overnight guests Monday of Mr. and Mrs. W. A. Sherriek and family.

Mountain View W. I. Discusses Libraries

Mrs. Hugh Johnston was hostess to the Mountain View W.I. at its September meeting. Six members answered the roll call of "something interesting in W.I. work." There were eight visitors present.

An open discussion was held on the duties of a W.I. president, also president of A.T.A. and H. Clubs. Mrs. W. Stiles read a paper on the "First Regional Library at Lacombie." A discussion on libraries followed and many thought our Didsbury library should be open for a short period during the week.

A discussion on perennials was held. Mrs. John Hollesen won the 10-cent draw and Mrs. McCarty the contest supplied by the hostess. After God Save The Queen was sung the hostess served a lovely lunch.

Wright-Goeljen Nuptials Held Here

Bedoumer Lutheran Church, Didsbury, was the scene of a very pretty candle-light ceremony September 22, the birthday of the bride's father, being chosen by Lois Wright, only daughter of Mr. and Mrs. Rudolph J. Goeljen of Carstairs, and Mr. David Alan Wright of Edmonton, was an auspicious date during the week that of a 17-year-old boy from west of Didsbury.

The bride looked lovely as she wore a dress over the shoulders of her arm of her father, and she wore a beautiful floor-length white nylon net over satin gown fashioned with a fitted lace bodice with lace insert in the skirt and long fly-pile sleeves of lace fitted into a nylon yoke with small button closing at back. Her lovely illusion silk, embroidered net veil cascaded from a headpiece of small roses which matched her bridal bouquet of deeper red roses. Her only jewellery was a gold necklace, the gift of the groom.

The two bridal attendants were her cousin, Mrs. Marian Tavel of Olds as maid of honor and Miss Jean Dargatzelle of Edmonton as bridesmaid, who wore floor-length gown and pale green and pink respectively, with matching tiaras fashioned from net and the same flowers as in their bouquets of carnations which were in colors to harmonize with their gowns, combed their costumes.

Mr. Leonard Wright of Elkton, brother of the groom, acted as best man, while Leslie Goeljen, cousin of the bride, Mr. Wilbert Berscht, cousin of the groom, and Mr. Ronald Clarke were ushers, the latter two from Edmonton.

Miss Peggy Owens of Carstairs played the nuptial music and accompanied Mrs. Herbert Goeljen as she sang "The Wedding Prayer" during the signing of the register.

The reception followed in the church parlors with both parents in the receiving line, the bride's mother choosing a navy dress with wine accessories and a corsage of red roses to complement her costume, while the groom's mother looked charming in a deep red ensemble and she wore a corsage of bronze colored roses.

Tables were laid for one hundred

Hockey Meeting Hears Report From R. Shantz

At a hockey meeting held in the Lions Hall Friday evening, Sept. 26, Raymond Shantz gave a report on a recent interview of Red Deer with the secretary of the Central Alberta Intermediate Hockey League. According to Mr. Shantz, a team from Didsbury would be most welcome in the League, but a bond of \$220 would have to be put up prior to accepting an entry into the league. More than this amount has already been promised by local business men. Mr. Shantz said:

Following discussion on schedules, finances and possibility of obtaining a playing cash and two or three imports to strengthen the team, a committee of five was appointed. This committee will investigate the possibility of raising money by a canvass of the town and district for initial expenses involved in operating a team in the league and will report to a future meeting of hockey enthusiasts, when a definite decision will be made.

WESTCOTT NEWS

(From Our Own Correspondent)

Miss Elaine Goeljen of Calgary was a visitor at the home of her parents, Mr. and Mrs. Herb Goeljen, on Sunday.

We are glad to hear that Ray Luft's hand is much better now. He was suffering from blood poison. Combining and thrashing has been going uninterrupted here for the better part of a week and it is not an uncommon sight these evenings to see lights all over the fields as farmers work late into the night so as to complete their job of harvesting before bad weather sets in. Some very good yields are being reported and we might add too that the grades are gratifying as well.

Leslie Goeljen has been home from high school with help with harvesting as his father is still suffering from a recent injury.

Mrs. Henry Wilshusen, who has been on the sick list for some time, is now taking a new system of treatment on the advice of her doctor in the hope of clearing up a condition that she developed last winter.

Mr. and Mrs. Peter Stakenas and family of Calgary spent Saturday on the home of their farm.

Mr. Jack Boyle of Didsbury was a dinner guest at the Herbert Goeljen home on Sunday last.

What a lovely season we've had and very little frost as yet. We are hearing of ripe tomatoes being picked off the vines in some of the gardens in this district.

Mr. Gustafson, Mrs. Bernal Reinhardt's father, returned at the weekend from a trip to Sweden. He was accompanied by his son, Mr. and Mrs. Reinhardt and children.

ONE NEW POLIO CASE IN DIDSBURY DISTRICT

One more case of poliomyelitis was reported this district during the week that of a 17-year-old boy from west of Didsbury.

Eleven cases were reported in the Calgary area over the weekend. The provincial total now stands at 528, with the death toll at 43.

MOUNTAIN VIEW

(From Our Own Correspondent)

Best wishes for a speedy recovery is extended to the three little polio victims of the district, Brian Elliott, son of Mr. and Mrs. Gordon Elliott; Vernon Hamm, son of Mr. and Mrs. George Hamm; and Norman Pratt, son of Mr. and Mrs. David Pratt. Miss Evelyn Wilshusen spent last weekend at the home of Mr. and Mrs. Arthur Goeljen.

Thursday evening visitors with Mr. and Mrs. Arthur Goeljen were Mr. and Mrs. J. C. Thompson of Dallas, Texas.

Guests under a canopy of streamers in pink, white and green and white bells. On the bride's table was centred the lovely three-tiered wedding cake flanked by tall tapered towers. Floral arrangements in color harmony decorated the guest tables. Mr. Lawrence Oakes, master of ceremonies for the occasion and proposed the toast to the bride, to which the groom responded. A few other short speeches followed by Rev. E. H. Fox, both parents of the bride, and another solo, "O Promise Me" was sung by Mrs. Herbert Goeljen, to complete the reception hour.

Later Mr. and Mrs. Wright left on a honeymoon trip. The bride charming to a gaudy suit with rust accessories and a corsage of roses to tone in with her going away costume. On their return they will reside in Edmonton where the groom is employed by an oil company.

Didsbury Boy Scouts Start Regular Meetings

The Second Troop of the Didsbury Scouts again commence meetings for the 1952-53 season Tuesday, October 11 and new recruits are welcome to come along with Troop members. The Troop will meet at their usual location at the Bible College at 7:30 p.m.

Last year was a highly successful one for the Second Troop and included the following special items for the boys: a fall field day; two winter "Polar Bear" expeditions which included three nights winter camping in sub-zero weather; a three-day spring camp under canvas; a delightful parent-Scout banquet at the college; and lastly a four-day summer camp. All these activities added up to a very profitable and enjoyable year for the Troop.

The new year is being planned just as fully and with even more effort to make the program beneficial to the boys.

Boys eligible to join will receive a very cordial welcome to the meetings. They will find there the best of clean fellowship and opportunities to develop character and leadership.

PLANS COMPLETED FOR TEA AND ART EXHIBIT

The Ladies' Auxiliary to the Didsbury branch of the Canadian Legion will sponsor an art exhibit on Saturday, October 11, in conjunction with their annual fall tea. The event will take place in the Lions hall with the tea being held from 3 to 6 p.m. The afternoon session will include exhibitions of art by Mrs. Clarence Binehart and Mrs. Joyce Mullen. The art exhibit will continue from 5 to 6 p.m. The exhibit will include pencil sketches and pastel paintings.

Floor Price Purchases Must Be On Quota

The Alberta Agriculture Department announced this week that purchases of cattle must be on a quota basis.

The department expressed the belief the Dominion government has no intention of buying livestock for which there is no export market or for which there is no storage facilities.

Thus the quantity purchased would depend upon the facilities for storing carcasses and the export market.

The Alberta Agriculture Department also said that the federal government's policy now is to purchase only cattle finished for slaughter and to discourage the marketing of unfinished cattle. The department outlined the present situation as it affects Alberta livestock dealers. It said:

"The recent announcement on floor price for cattle made by the Dominion Department of Agriculture provides that until Nov. 15 present floor price for cattle is 700 pounds and up of grade A, B and C quality shall prevail.

"This would permit those holding this quality of stock to dispose of them on the basis of the present floor price of \$25 per 100 pounds live weight, basis Toronto.

"The announcement also provides that until the United States embargo is lifted, or until April 1, 1953, whichever is the earlier, the support price will be to \$25 per 100 pounds basis good steers at Toronto, with the proviso that if the embargo continues after April 1, 1953, that the support price will be raised to \$25 per 100 pounds.

"Under the foregoing arrangement it should be understood that no floor price will be set for the disposal of cattle or lower grades of livestock. It is therefore hoped that those interested in the feeding of livestock may be able to obtain their purchases at a price that will permit them to realize a profit if sold on the basis of the floor price of \$25 per 100 pounds.

"Feeders and producers of livestock should realize that the government's purchases are determined by the state of the export markets and available cold storage facilities. The markets are restricted, and so long as they are restricted the government is compelled to purchase on what amounts to a quota basis."

WHO WOULDN'T
 A lecturer, addressing a meeting on "The Duties of the Housewife," remarked that it was the duty of every woman to mother her husband. Wishing to see what impression this had made on his audience, he asked all those to stand up who were willing to mother their better halves. Only one woman stood up.
 "Ah," he said, "I am glad to see there is at least one of you willing to mother your husband."
 "Mother your husband?" cried the woman. "I thought you said 'mother your husband!'"

O.S.A. Notes

Olds School of Agriculture and Home Economics

By the first of October all staff members will have returned from holidays, extension and other work, or in the case of new staff, reported for work.
 The agricultural engineers of the three schools of agriculture met recently in Edmonton to revise the courses in farm mechanics and farm motors. These courses are now in line with the most recent agricultural advances.
 A meeting of all staff members of the three provincial schools of agriculture will be held at Fairview on October 6th and 7th. At this meeting policies and regulations will be reviewed and courses, teaching methods and techniques thoroughly discussed.

Farmers
 as a rule
 are
 good sports . . .

You can be a good sport too, by following the Golden Rule, and making a friend of the farmer.

1. First call on him and obtain his permission to shoot or hunt on his property.
2. Always close gates behind you, they were put there for a purpose.
3. Don't shoot, unless you are sure of your bullet's ultimate resting place. You could miss.
4. Don't shoot near buildings or stock.
5. Don't climb through fences with a loaded gun.
6. AND NEVER carry a loaded gun in a vehicle.

Shooting insulators on power or telephone lines—thus interrupting farmers' power or telephone service—is NOT following the Golden Rule.

You will find the farmer a real good sport if you are a good sportsman and follow the rules of good sportsmanship.

ANOTHER APPEAL . . . BUT A WORTHY ONE !!!

Within a very short time the annual campaign for funds for the Salvation Army will be sponsored by the local branch of Lions International. At the last regular meeting of the Lions a representative of the Army was present and spoke of the work done by the organization. Films were also shown which emphasized the great help given by so few in so many ways. It is unfortunate more of you were not able to witness this factual picture of what goes on behind the scenes in different branches of the "Army."

We will attempt to give you here a few of the aims and endeavors of this band of tireless, compassionate workers:

To mend the broken in body and spirit . . . to restore to self-respect and usefulness the wayward, the despondent, the destitute victims of self or circumstances . . . that is the job of the Salvation Army.

Material aid and spiritual help go hand-in-hand in the Army's work. It is your work your compassionate heart and willing hands would do . . . if you were equipped to do it.

And it is you, by your generous contributions to these annual appeals, who make it possible for the Salvation Army . . . experienced, tireless, understanding . . . to perform efficiently the never-ending task.

DUKE'S STATUS POSES CORONATION PROBLEM

The coronation commission faces an extraordinary problem. What is the position of the Duke of Edinburgh at the coronation.

Hairs are turning grey and lights burning late as wise men seek the answer. For the coronation ceremony is based on a precedent, and to find one for the crowning of Queen Elizabeth II one has to go back to the coronation of Queen Anne.

The powers-that-be are unwilling to go back that far; and they are not to be blamed. For Queen Anne had to be carried in a chair into the Abbey.

Three main questions worry the commission:

1. Will the duke sit with the Queen in the state coach, or ride behind.

2. Will he sit alongside the Queen during the ceremony, or behind her?

3. No decision having been made as to whether Philip ranks as a royal duke, will he or the Duke of Gloucester first pay homage to the sovereign after the Archbishop of Canterbury.

These problems must be sorted out within the next few weeks. No doubt they will be. There is a very good man at the head of the coronation commission. His name? The Duke of Edinburgh.

INSULATE

YOUR HOME

AS LOW AS **\$67.60** AS

I Did It Myself in One Afternoon with . . .

Now you can enjoy the comfort and economy of an insulated home for a price never before dreamed of . . . and cut fuel bills as much as 40%! You can actually install Zonolite insulation yourself in a single afternoon, too!

Easy to Install
Just open Zonolite vermiculite insulation directly from the bag between attic joists and sidewall studs. That's all there is to it! It's fire-proof, rot-proof, vermin-proof—will last the life of your home! Come in or call for FREE estimate today!

Ulcer Is Left Alone In New-Type Operation

A new operation for ulcers doesn't touch your ulcer. The ulcer is left alone, to cure itself.

The operation removes 75 per cent of the stomach.

It takes away most of the upper part of the stomach, which is the part that produces the acid that causes ulcers. With the cause gone, the ulcer gets well by itself, and new ulcers apparently will not get started.

The operation saves the bottom part of the stomach, with its valve that keeps food from being emptied out of the stomach too soon. The nerve regulating this valve is also saved.

Quick emptying of the stomach can cause weakness, loss of weight, heart palpitations, other troubles. This kind of distress often follows ulcer surgery that removes all of the stomach, or the bottom part of the valve.

The new technique was described recently to the opening of the American College of Surgeons' clinical congress by Drs. William D. Kelley, Snorrie Hallgrimsson, Richard E. Dahl and Owen H. Wangersten, of the University of Minnesota medical school.

It works well in animals, so well that they don't get new ulcers even when given daily injections of histamine which ordinarily do cause ulcers in dogs and cats.

Forty-five humans have had the new ulcer operation and seem to be doing well, but it is still too early to tell how good the operation is, the doctors said.

The new operation is done only for ulcers of the duodenum, the first part of the intestine leading from the stomach. About eight out of nine peptic ulcers occur in the duodenum.

The technique was designed to

Today's School System Contradictory Question

"Today's schools are educating for ignorance," declares Dr. George Hardy, professor of classics at the University of Alberta, in the current issue of a national magazine. "Progressive educationalists seem to be looking for some sort of 'gadget' to make education easy."

Dr. Hardy writes one half of a double-barreled article presenting both sides of the argument which the magazine calls "The Great Battle of Schools". Dr. Charles E. Phillips, professor of education, University of Toronto, defends modern education. He states emphatically: "Young people today are superior in nearly every respect to those of my generation and yours. They know more, think and act more honestly, are healthier in body and mind. They are more resourceful. It is taking them longer than it took us to become hypocrites. My judgment on the schools today is that they are very much better than any schools in the past."

Dr. Hardy, on the other hand, biases modern education as "sampling a lot of subjects" instead of concentration on a few.

"Mass education," he claims, "fosters the fallacy that if everyone isn't born with equal mental capacity they should be. If little Mary or gangling Joe is backward, the fact must be concealed from them and their parents."

"It may be true that backward children sometimes become more

save the stomach valve and its nerve, to cure ulcers without letting food go through the stomach too fast.

The patient is left with a small stomach, but half of them soon became able to eat nearly normal-sized meals, the surgeons said.

backward in schools with report cards and class standings. But what about the competition that exists in real life? Isn't struggle necessary to build character? Is youth no longer to be presented with a challenge?"

RECORD WHEAT YIELD

A yield of 131 bushels of wheat to the acre was obtained from a nine-acre strip of land in Columbia, Norfolk, England. The farmer, John Turral, claims this yield to be a world record.

YOU CAN DRIVE SIDE-WAYS . . . AND NEVER KNOW IT!

A bad bump at the curb can throw your wheels out of line — then you'd be literally *dragging* your tires side-ways — and never know it!

Don't risk it! Rubber is precious! Drive in now for our Precision Wheel-Alignment Service. We'll check your steering, inspect front-end alignment, balance front-wheel assemblies and equalize tire pressures. See us — our factory-trained mechanics know your car inside and out.

WEDDINGS

STAUFFER-HANSON

Rev. Miller officiated at a quiet
ceremony on Sunday, September 21,
when he united in marriage Frances
Anne, eldest daughter of Mr. and
Mrs. Willis Hanson of Vancouver,
Red Deer, Calgary and Xanton, to
Albert Keffer Stauffer of Didsbury
and Olds.

The bride wore a navy blue suit
with navy accessories and a corsage
of gardenias and red roses. She was
attended by her sister, Mrs. John
Rennie of Olds, who wore a beige
suit and navy accessories. Her cor-
sage was pink carnations.

Mr. Dave Walders of Innisfail was
best man.
A reception was held in the Unit-
ed church basement for 30 guests.
Mrs. Dave Walders was in charge
of the guest book and Mrs. Wayne
Stauffer, Didsbury, and Mrs. Andy
Ross assisted the hostess. Mrs. Vern
Ortwein, with serving. Mr. R. J. Mur-
ray of Red Deer proposed the bridal
toast, with the groom responding.
Mr. Tom Morris of Didsbury said a
few words about the groom.

Mr. and Mrs. Kife Stauffer left on
a wedding trip of two weeks to
Vancouver, after which they will re-
side in Olds.

Out-of-town guests were Mr. and
Mrs. Tom Morris and Mr. and Mrs.
Wayne Stauffer of Didsbury, Mr.
and Mrs. R. J. Murray, Mr. and Mrs.
Henry Landry and Mr. and Mrs. Bob
Matheson of Red Deer.

WHEAT SALEMAN WANTED

A few months hence Canada could
be up against a wheat marketing
problem that would make even the
most serious ones in the past look
small. The biggest wheat crop in
Canada's history is beginning to
pour into the elevators. Total may
reach a staggering 675 million
bushels or 525 million bushels more
than we normally need ourselves.
To get that sold around the world
before another harvest would be a
major job at any time. This year
it is going to be much tougher.

Canada is not the only country
where nature has been generous.
United States production is the sec-
ond highest on record. For the world
as a whole production is placed at
258 million tons, or 10 million above
the previous record of 1938-39.

In this new big crop we have an
opportunity of getting good Cana-
dian wheat into the mouths of con-
sumers who have not had a taste
of it for years, of reopening old
markets and creating new ones. We
can do this if we really start to sell
and if we make full use of all our
marketing machinery.

CHRISTIAN SCIENCE

The fertility of seeking reality in
material things will be set forth in
Christian Science churches Sun-
day. The Lesson-Sermon is on "Un-
reality" and contains this declara-
tion from "Science and Health with
Key to the Scriptures" by Mary
Baker Eddy: "If goodness and spiri-
tuality are real, evil and materi-
ality are unreal and cannot be the
outcome of an infinite God, good."
(p. 277). And this promise from the
inspired words of the prophet Jerem-
iah: "And I will give them an heart
to know me, that I am the Lord;
and they shall be my people, and
I will be their God: for they shall
return unto me with their whole
heart." (24: 7)

Don't forget when parking your
car on a hill to toe the front
wheels in towards the curb, set
the hand brake and leave motor
in gear.

DON'T GAMBLE
WITH
SAFETY!

You can drive relaxed if your
car has the safety-insurance of a
thorough brake check. Our fac-
tory-trained mechanics can spot
brake trouble long before it be-
comes serious and costly. If your
brakes need relining—let us

Weed Screening Regulations

Following is a synopsis of the new
"Noxious Weed Regulations" and
shall apply to any movement of
screenings within the province ex-
cept: (a) Those screenings moved
in railway boxcars while therein
confined; and (b) The movement
of screenings by a person over land
owned or leased by such person.

1. No person shall transport or
move screenings within the prov-
ince until he has first obtained a
permit in writing.

2. Any person wishing to trans-
port or move screenings within the
province may apply to:

(a) In the case of a municipal
district to the field supervisor
or the weed inspector appoint-
ed for the area in which the
screenings are to be moved.

(b) In the case of an Improve-
ment District to the weed in-
spector for the area or to the
field crops commissioner or
his representative for a per-
mit in writing.

3. The Field Crops Commissioner
or any weed inspector or representa-
tive of the Field Crops Branch to
whom application for a permit is
made, may issue a permit in writ-
ing in form A of the schedule
authorizing the applicant to move
or transport screenings in ac-
cordance with the terms of the permit
if the person to whom application
is made is satisfied that the screen-
ings will be confined during trans-
it in tightly closed containers of a
type which will not permit the es-
cape of any of the screenings.

Any permit issued pursuant
to these regulations may be can-
celled without notice by the issuer
if he finds that there has been an
infringement of the Noxious Weeds
Act or these regulations.

5. Any person who contemplates
feeding of weed screenings to live-
stock is also required to first obtain
a permit in writing either from his
local weed inspector or from the
Field Crops Branch.

These regulations may seem
rather unnecessary to some but they
are designed to prevent the scatter-
ing of weed seeds and everyone
handling them should plan to abide
by the regulations.

WANT IT NOW
Only a little more than a dozen
years ago they were capping oil
wells as fast as they were discov-
ing them in Texas. They are won-
dering whether they would be able
to sell half the oil they had in
sight. Now they are wondering the
other way.

Whatever problems lie ahead for
Canada's new oil and gas develop-
ment, the finding of markets should
not be one of them.

EAST NOTES

(From Our Own Correspondent)

The next Lone Pine W.I. meeting will be held at Mrs. Alan Hughes on Wednesday, Oct. 8. Members are asked to attend this meeting as arrangements will be made for the Thanksgiving banquet. Keep the date in mind as a good attendance is essential.

The girls' club held their executive meeting at the home of the Schumaker girls on Sunday, Sept. 28 to make the year's program books.

Mr. and Mrs. Sandy Brandt motored to Lindholm on Saturday and Mrs. Winnie Bittner was staying with the children until their return.

Best wishes are extended to Mr. Henry Gore who was hurt in a car accident on the highway Thursday afternoon when he was on his way to Olds. He is a patient in the Olds hospital.

Best wishes are extended to the following patients who are in the isolation hospital in Calgary: Norman Pratt, the little flamin boy and baby Brian Elliott. Hope they will soon be well and happy again.

Lola Fross spent the weekend at home with her parents. Lola is taking her grade X in Didsbury.

Mrs. Schumaker of Lone Pine W.I. and Mrs. Arnold McCulloch of Bancroft attended the executive meeting which was held at the home of Mrs. Ralph Long on Saturday afternoon.

Miss Joy Elliott spent Wednesday and Thursday afternoon with her parents.

Mr. and Mrs. George Clark motored to Lindholm on Saturday and returned Sunday.

NOTES FROM D.A.

HUGH McPHAIL

CALFHOOD VACCINATION AGAINST BANG'S DISEASE

Vaccination to prevent various diseases is an accepted practice in both human and veterinary medicine. With cattle, vaccination against Blackleg has saved thousands of head. Calfhood vaccination against Bang's disease has proven effective in Alberta in reducing losses in infected herds and preventing losses in clean herds.

The vaccination of heifer calves from 4 to 9 months of age gives them a good resistance so that they mature they will not lose their calves prematurely. At least on hundreds of thousands of calves vaccinated in Canada and the United States vaccination has proven to be about 95 percent effective in preventing such losses. Over a period of four to six years a complete herd with a resistance to the disease can be built up.

As the vaccinated heifers mature and go as herd replacements into the beef or dairy herd, older cows that are infected with Bang's disease should be sold for slaughter. In this way, a cattlemen will be able to practically eliminate the disease in a few years. That has been done at the University of Alberta, by ranchers and dairymen in the province. Good herd management though, has to be practised at all times to give the best results.

Calfhood vaccination has proven to be an effective, economical and practical way to prevent and control Bang's disease of cattle. It should be practised in clean herds as well as infected ones. Start building a Bang's resistant herd now. Protect your income and health of your family. Remember, the disease can cause Undulant Fever in humans.

The Alberta department of agriculture recommends calfhood vaccination coupled with good herd management as an economical and practical way to prevent and control the disease. The co-operation of all cattlemen will be greatly appreciated in building up Bang's resistant herds by having all heifer calves vaccinated this fall.

Contact your veterinarian to vaccinate your calves.

LET TAXPAYERS CHOOSE

Canada's allies have been spreading out their defence programs. So Ottawa asks in effect: Should Canada be the only country to live up to the plan and the timetable. Why shouldn't Canada, like the others, slow down and stretch a three-year program over four?

In view of what our partners are doing, Ottawa's feeling is understandable. Is it defensible? Probably it is on the practical ground that preparedness for defence in the big countries of the NATO alliance is the only thing which will give any importance to preparedness by Canada.

If Canada cuts defence expenditures, that should be translated at once into tax cuts, says The Financial Post. There will be a thousand clamorings that any cuts in arms expenditures be put into more spending elsewhere.

Let us individual taxpayers make up our own minds how we will spend that extra.

BERGEN NOTES

(From Our Own Correspondent)

The Bergen Ladies Aid met Thursday, Sept. 25 at the home of Mrs. Tracy Irving. 24 ladies present including visitors.

Plans were made for the annual sale of handwork, to be held in the Bergen community hall on the evening of Sept. 17. Prior to the sale the ladies are serving a free supper and everyone is welcome.

The usual gift was sent to two new babies in the district. Mrs. Ellis acted as chairman and Mrs. Connors as secretary, in the absence of the regular officers. After the hostess had served lunch she was conducted to the front room where she was surprised with a number of beautiful and useful gifts for her new home.

Mrs. Peter Nelson offered her home for the October meeting.

♦ ♦ ♦ ♦ ♦

The Bergen school children did very well at the Sundre school fair, winning \$1900 in prize money as well as the trophy for the school winning the most points. Much credit is due the teacher, Mrs. Marion Shafer, who takes a great interest in this work. As far as is known the Sundre school fair is the only one of its kind in Alberta.

Mr. and Mrs. Ira Gamble of Didsbury visited at Bergen on Sunday.

So You Know About Accidents?

A general analysis of the motor vehicle record in Canada will give you some idea of the reason for the present insurance rates and a picture of what to expect in the future unless immediate steps are taken to change the situation.

Figures for 1951 show: (figures for 1952 are not all available yet) In the United States there were some 32,000,000 motor vehicles, there were some 1,838,100 accidents. A ratio of one accident for every 28 vehicles.

In Great Britain there were 1,752,000 vehicles, there were 216,000 accidents. A ratio of one accident for every 22 vehicles.

In Canada the record was blacked out with 2,000,269 vehicles and 132,265 accidents, a ratio of one accident for every 15 vehicles.

In 1950 there were 1296 fatal accidents in which some 2,700 people died and 30,000 people were injured.

In 1951 automobile insurance claims had risen to \$65,000,000, an increase of \$13,000,000 over 1950. In other words, automobile accidents last year involving people covered by insurance cost approximately \$15 per minute every day last year.

Sixty-five per cent of all accidents occur on dry roads in clear weather; 60 per cent of all accidents in Canada are in daylight. The hour between 5 and 6 p.m. brings more accident fatalities than any other hour, and the hour between 4 and 5 p.m. results in most injuries.

The under-25 driver who makes up 15 per cent of today's motorists is involved in 30 per cent of all fatal accidents, just double the general average. The result was that their insurance rates increased 16 per cent on a national basis in 1951. In Winnipeg the work of the traffic authorities through the city's Driver Improvement Clinic has resulted in a drop of 27 per cent in injury accidents in the one year that the clinic has been in operation.

A recent report from British Columbia states that the loss ratio there climbed so sharply last year that insurance companies there had the experience of taking a \$10 loss on every \$100 worth of automobile insurance premiums collected.

The four violations responsible for almost 70 per cent of last year's traffic deaths are speeding, driving on the wrong side of the road, drinking and driving, and ignoring the right of way of others. If drivers will stop these offences, automobile accidents and insurance rates will drop.—The Olds Gazette

Farmers Urged to Hold And Feed Young Yearlings

Robert McCubbin, parliamentary assistant to the agriculture minister, said recently that orderly marketing of beef cattle will help in preventing market glut and price declines.

He urged farmers to hold their yearlings and two-year-olds and feed them, rather than rush them to market. He said that the government should give some assurance that those who hold their cattle will not be faced with a glut and serious price declines.

Mr. McCubbin said he is sure that the U.S. embargo on Canadian livestock will be lifted, possibly as early as October 15, 60 days after Ottawa announced that the danger of foot and mouth disease is over.

Average wage of farm help in Canada at May 15 was \$1.90 a day with board, \$6 a day without board.

LITTLE ITEMS OF LOCAL INTEREST

Mr. and Mrs. Glen Laing of Cross-
field, accompanied by Mr. and Mrs.
D. A. Lamont, spent a brief time in
town visiting friends one evening
last week.

Mrs. J. R. Cunningham spent
three days in Calgary last week
visiting with Mrs. L. J. Wriggles-
worth. They visited with Mr. and
Mrs. D. A. Lamont one afternoon.

Farmers are asked to pick up
their patronage dividend cheques at
the Alberta Pacific elevator. 1c

Mr. and Mrs. Clyde Ruby of Ghost
Pine district renewed acquaintances
in town last Tuesday.

Born on Sept. 13 to Mr. and Mrs.
Tommy Taylor (Betty Barrett) of
Vancouver, a daughter, Adrienne
Lynn.

Joel Barrett left Sunday for Win-
nipeg where he will continue his
studies at the University of Mani-
toba.

The fire department was called
out one morning last week to a
chimney fire at the residence of Mr.
Jacob Janzen. No serious damage
was caused.

Mr. Vern Johnson has taken over
as shop foreman at Prevost Motors.
Well-known in Didsbury, Mr. John-
son has many friends here, having
been in business in town in previous
years.

LAC Vaughn LeGrand is home on
a 40-day furlough from the CAF
station at Rockcliffe, Ontario.

Len Berscht returned Sunday from
a motor trip up the Alaska highway
as far as Anchorage. He accom-
panied Mr. and Mrs. Arthur Dougoud
of Toronto, who remained in Ed-
monton to visit for a few days.

Mr. and Mrs. F. Fletcher were
Calgary visitors on Thursday.

Bill Cowan, accompanied by his
wife and two children, returned
Friday from Assiniboia, Sask., and
the family has now taken up resi-
dence in the Jack Fleury house in
the south end of town.

Born at the Didsbury Municipal
Hospital on September 6 to Mr. and
Mrs. D. A. Burgeson, Carlstairs, a
boy.

A regular Lions Club meeting will
be held in the Lions Hall Thursday,
Oct. 2, at 6:45 p.m.

Out-of-town guests at the Wright-
Goetten wedding were Mrs. Rose
Towers, Mr. and Mrs. George Scott,
Mr. and Mrs. Jas. Wright, Mrs. Allan
McRae, Miss Margaret McRae, Mrs.
Henry Heiderich, Mr. and Mrs. Ezra
Berscht, Mr. Howard Berscht, Mr.
and Mrs. C. R. Green, Mr. and Mrs.
Olson Mack, Mr. and Mrs. Lorne
Grant, Mr. and Mrs. A. Krause and
Mr. Tom Lemon, all of Calgary; Mr.
and Mrs. Charles Franklin of Cre-
mona; Mr. and Mrs. Lou Mattice,
Cranbrook, B.C.; Mr. and Mrs. M.
Romyn, Sundre; Mr. and Mrs. Frank
Tovall and Mr. Ken Tovall, Olds;
Mr. and Mrs. R. Clarke and Mrs.
Lemon, Edmonton; Mr. and Mrs. Ed
Berscht, Clifford and Arthur, Elkton;
and Mr. Wilbert Berscht, Edmonton.

MRS. SALOME HEYER PASSES AT VICTORIA

Mrs. Salome Hoyer, an old time
resident of the Carlstairs district,
passed away in Victoria on Satur-
day, September 20, 1952, at the age
of 83 years and 11 months.

She leaves to mourn her loss her
husband, David, at 3256 Doncaster
Drive, Victoria, B.C.; two daughters,
Mrs. L. B. (Alma Laura) Snyder of
Carlstairs and Miss Ida Catherine of
Three Hills; one son, Roy Henry of
Sundre; also six grandchildren and
one brother, Enoch Horst, Kitchener,
Ont.

FREAK HAILSTORM HITS WILLOWDALE DISTRICT

A mile-wide sickle of destruction
hacked its way through the Willow-
dale district at about 4:30 p.m. on
September 29. A freak hailstorm,
well past the season, made a
shambles of the oats. Barley and
wheat were also affected to a lesser
degree.

The Willowdale area, which is
southeast of Red Deer reports dam-
age to oats at 75-80 percent in the
swaths.

The damage to barley and wheat
is only about 20 percent.

Several farmers report that the
very dry hailstones were still piled
up against the fences more than 12
hours after the 15 minute storm had
passed.

One farmer has already put in a
hall insurance claim for his entire
110 acres of oats.

The oats are fit only for feed, the
stricken grain growers report.

COMING EVENTS . . .

—Eric Rattledge, optometrist, asso-
ciate of K. Roy McLean, announces
date of his next visit as Monday,
Oct. 6, morning only, at the Rose-
bud hotel. Consult in city office,
1014 Greyhound Bldg., daily.

—Knox United Church Evening
Group will hold its annual chicken
supper in the church basement on
Saturday, October 4, from 5 to 8
p.m. A table will be reserved for
business men. Donations of chickens
would be appreciated. Phone 233 or
22043, Didsbury.

—World heavyweight fight pictures,
Jersey Joe Walcott and Rocky Mar-
ciano, at the Didsbury Opera House
next Tuesday and Wednesday,
Oct. 7 and 8.

—The Ladies' Auxiliary to the Can-
adian Legion, Didsbury branch, will
hold a fall tea and art exhibit on
Saturday, October 11, in the Lions
Hall. The tea will be held from 3 to
6 p.m. in the afternoon, and the art
exhibit from 6 to 9 in the evening.
A silver collection will be taken in
the evening.

Train times have been changed
on the C.P.E. Consult the schedule
in this week's issue of The Didsbury
Pioneer.

—The first square dance of the sea-
son will be held on Oct. 13. The 15
sets are not yet filled and it would
assist the executive if those wishing
to join would notify, or better still,
pay the secretary, Mrs. Bloer, or Bill
Weldner, Murray Anderson, Ray
Fulkerth or Mrs. Emile Dupont. Se-
before Oct. 13. Come and join the
fun every second Monday and
fourth Tuesday of each month. 1c
